

**Amendment No. 2 to the Donor Agreement**

between

**DEFRA**

and

**the United Nations Environment Programme**

Pursuant to Article XI of the Donor Agreement S1-32CPL-000418 of 1<sup>st</sup> July 2020 between UNEP and DEFRA for the purpose of considering opportunities to accelerate the climate benefits of the Kigali Amendment to the Montreal Protocol and encourage the uptake of energy efficient and climate friendly solutions, as amended by Amendment No.1 of 24<sup>th</sup> March 2022, the Parties agree to amend the Agreement.

The purpose of this Amendment is to reflect, a) an extension of the duration of the Donor Agreement; and b) an additional contribution of US\$ 1,444,043 to the project for the purpose of building out the functionality of the cold-chain computer model for in-depth food and vaccine cold-chain analysis with scenarios for target markets in Africa to help inform future investments in building new cold-chain infrastructure and capacity.

**1.2 Agreement Article V is hereby amended in its entirety as follows:**

“1. In accordance with the decisions and directives of UNEP's Governing Council, the contribution shall be charged 13% for the programme support cost incurred by UNEP in administering the contribution.

2. Pursuant to paragraph 10(a) of United Nations General Assembly Resolution 72/279 of 31 May 2018, the donor agrees that an amount corresponding to 1% of the contribution to UNEP shall be paid to fund the United Nations Resident Coordinator System. This amount, hereinafter referred to as the “coordination levy” will be held in trust by UNEP until transfer to the United Nations Secretariat for deposit into the United Nations Special Purpose Trust Fund for the reinvigorated Resident Coordinator system, which has been established to fund the UN Resident Coordinator System and is managed by the United Nations Secretariat.

3. The donor acknowledges that once the coordination levy has been transferred by UNEP to the United Nations Secretariat, UNEP is not responsible for the use of the coordination levy and does not assume any liability. The fiduciary responsibility lies with the United Nations Secretariat as the manager of the Resident Coordinator system. The coordination levy does not form part of UNEP cost recovery and is additional to the costs of UNEP to implement the activity or activities covered by the contribution. Accordingly, there is no normal obligation for UNEP to refund the levy, in part or in full, even where the activities covered by the contribution are not carried out in full by UNEP. As deemed necessary by the donor- and especially where the scale of the resources concerned, or reputational risk justify the refund transaction costs – the donor can submit a request for refund to the United Nations Secretariat directly or through the United Nations entity. The responsibility to refund the levy lies with the United Nations Secretariat, and not with the concerned entity of the United Nations.

4. The coordination levy for this agreement is \$25,746. The payment schedule, refer to article I, provides the breakdown of the disbursements of the coordination levy and the payments of the contribution.”

**1.3. Article XIV is hereby amended in its entirety as follows:**

“This Article shall enter into force upon the last signature by the parties and shall remain effective until 31 December 2025 unless terminated earlier pursuant to Article X above.”

**2. Entry into force**
